Anime Page/Games Page

Carousel of images/links to the information pages

These two pages coontain a carouslel of images based on the page

Anime page carries an anime carousel and the games page has games carousel

the black boxes represent the buttons to navigate the carousle

the span buttons at the bottom can also be use to navigate

no need for a header or footer for this page as no information is presented here. Further using either of those elements would harm the design
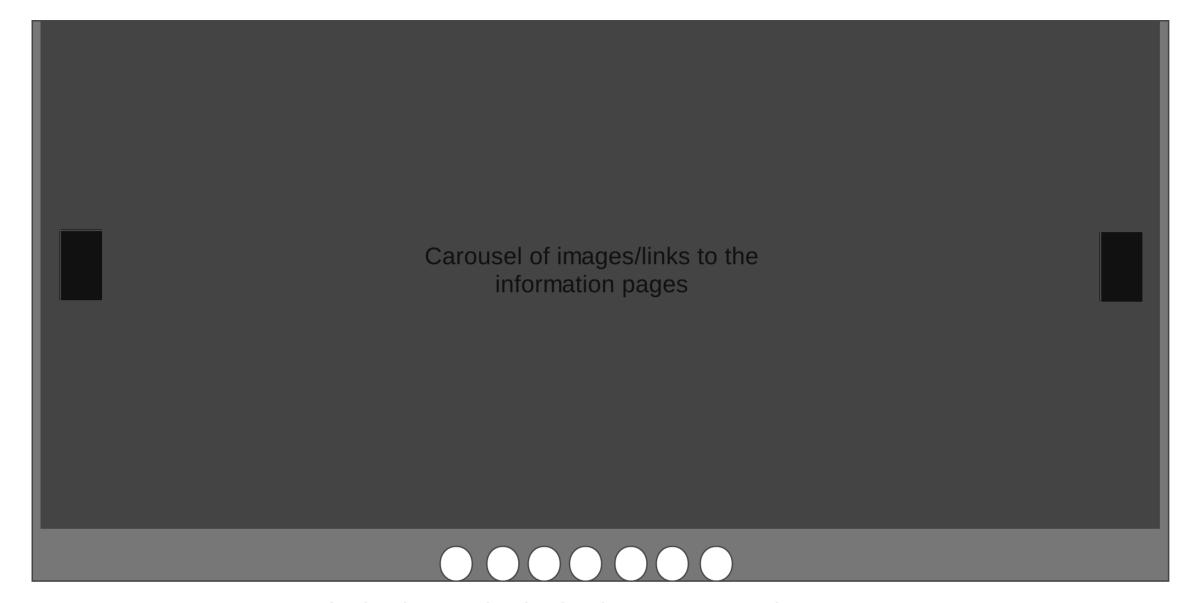

all image height=580px
all image width=1366px

The background color for the games page is cornflower blue and for the anime page the background color has ahexadecimal code of #b31919

span buttons become darker when we navigate on to the image

the image transition is set to 0.6s ease

navigation arrow buttons are white '>' shaped buttons they have a transparent background generally
on hover the background for these buttons become black
